Project to improve water and soil resources within the Curlew and Pocatello valleys through Agricultural Best Management Practices (BMPs) implementation.

*No Key Photo provided*

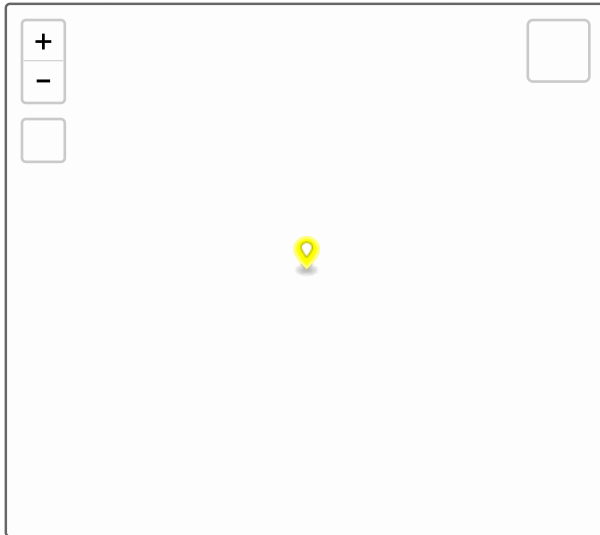

#### Key Accomplishments

- Landowner Site Visits: 1
- Engineering & Technical Assistance Hours Requested: 90
- Engineering & Technical Assistance Hours Allocated: 90
- Engineering & Technical Assistance Hours Provided: 76
- Engineering & Technical Assistance Value: \$4,944.62

#### Project Themes

- Conservation Capacity Building
- Healthy Watersheds

#### Location

#### Expenditures

*No expenditures provided*

## Photos

*No additional photos provided*

---

*Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.*
